Dear Friends:

Equestrian Trails Inc. Corral 126 is a non-profit organization dedicated to Equine Legislation, good horsemanship, and the acquisition and preservation of trails. Our corral host six horse shows per year in Fillmore as well as trail rides, poker rides and we hope to have some trail trial events this year which is great confidence building event. We have participants and members in Ventura, Santa Barbara, Los Angeles, and Kern Counties.

Our club is in search of sponsors for the various events we hold. Sponsorship helps fund the high point awards given at each show and the year end awards for our members. Our corral rents facilities to hold our events and we have insurance fees for each of our events as well which add up quickly. We do charge our member entry fees and grounds fees to cover most of our cost but we still need your generous support to continue the heritage of the horse which has been a great part of our history in America.

So we ask you to consider helping sponsor our groups efforts in continuing sportsmanship leadership, integrity and respect for a very noble animal. We appreciate our sponsors very much and we recognize you every chance we get in our newsletters show pamphlets web page and you can even see your name during the show being displayed proudly next to the contestant's number. Any contribution would be greatly appreciated.
